

The Hereford Middle School PTA welcomes you to a new school year! The PTA helps to supplement your students' experience at HMS by sponsoring events, supporting school programming, and providing educational resources to students and teachers. We need your help in order to continue to support our HMS faculty and students!

**Direct Donation Program:** We kindly ask that each family give a monetary donation in lieu of traditional fundraising, like pizza or chocolate bar sales. 100% of funds are tax-deductible and will be donated back to HMS.

- Your Direct Donation funds have contributed to the following: speakers, holiday treats for students, dances, faculty and staff appreciation treats and lunches, library tables, outdoor equipment, American Education Week, snowballs/Kona for students, 8th grade farewell gifts, registration for HMS to compete in global Destination Imagination and Robotics competitions, and much more!

To support these and other expenses this year, we are asking for a donation of **\$50 per student, or \$75 per family**; however, we appreciate monetary donations of any amount.

Please consider donating! Without your support, the PTA will not be able to fund student events, teacher appreciation events, scholarships, and other school enrichment programs. We thank you for your consideration and look forward to an amazing school year!
